a detailed report thereon together with the vernacular records on the subject.

The Dy Commr reports — (Paper under dis as follows: —

The temple in question is endowed with 3 (dry) Inam lands, measuring (Slip L 40-22, and assessed at Rs 64-8-0 which are situated in the Gutturu village of the Harihar Sub-Taluk. On enquiry, it was learnt that the cultivators of the lands used to give an annual gutta of Rs 36/- to one Jangama of Harihar, who in her turn was remitting Rs 10/- every year to the temple authorities for Deeparadhane services reserving the balance of Rs 26/- for her maintenance. This payment was not however made since 1904

Jangama admits that she has been enjoying the lands under the above conditions as (Slip M the lands were gifted away to the

temple by her ancestors and the enjoyment of the lands under the above conditions has continued in her family for over a century and that she has to withhold the yearly payment of Rs 10/ as she receives neither the usual Vibhuti from the authorities nor did any servants of the temple come in person to receive the payment. She prays that as the stoppage of this remittance is due to no fault of hers, she may be permitted to continue in the possession and enjoyment of these inam lands under the same conditions, as she and her two sisters depend entirely upon the income for their maintenance. Some receipts in evidence of the remittance to Kadapa are produced together with a Seemantha* to Salagamkally Lakshamma.

* (Slip IV)

from the Swamy of the Krishnapur mutt at Udupi urging for the usual payment of Rs 20/- for services in the temple with a note thereunder to the effect that the amount was remitted. This document is dated April 1895. The Dy Commr states that she has paid the arrears due for the past 4 years viz Rs 40/- to the Dy Amildar and this amount will be remitted to Udupi on receipt of orders.

The cultivators of the lands have agreed to pay the full assessment on the lands viz Rs 64-8-0 (Slip 6) (+ Rs 4-8-0 Rs 6 being the quit-rent fixed thereon) and pray that their right to hold the lands in question may not be disturbed as they have been Kadim tenants.
